Sarah's Story

The story of Sarah Ann Madl began February 21, 1988 in Topeka KS. It should have been a long novel with each day a page and each year a chapter. But her story was cut short by a villain named colorectal cancer. Sarah is the daughter of Tom and Marsha Powell Madl.
She attended Randolph Elementary, Robinson Middle School and graduated from Topeka High School where she was involved in the band, theater and tennis. Sarah was a senior at Washburn University, studying to be a librarian, a member of Sigma Alpha Iota Sorority and played in the WU Marching Band when she passed.

Sarah loved books, music, coffee and, the love of her life, Will Arasmith, who was a constant source of strength and happiness to her. Sarah was a delight who was known to be an old soul.

Sarah will always be a part of the Washburn University and Mabee Library families.
